

CONCRETE & CRANES

Philippians 1:6

**SOUTH CAROLINA CHURCHES
PRESENT:**

Virtual VBS 2020

Dear Families,

Thank you for taking part in our state-wide virtual VBS. We are thrilled to be working together to serve Jesus Christ and your family. We realize this will be a different experience, but we are praying God will make himself known to you and your children this week. Our hope is that you will sit down together and do VBS as a family.

The materials you received contain the components you need to do VBS at home. Starting July 13th, we will post our daily videos at 9AM on our website. Our main episodes include worship rally, Bible study and missions. You will also have access to videos for crafts, recreation and snacks.

You have the flexibility to do VBS at your convenience. Have fun!

Love - your VBS Team
